

Become a Global Talent

Develop your employability skills and global competence while studying by choosing international elements into your study path and obtain the **Global Talent** open badge.

- Complete part of your studies in a foreign language
- Study new languages
- Learn about intercultural competence
- Choose professional courses with a global angle
- Spend a semester abroad

Open badge is a digital certificate, which acknowledges the competence, skills and talent you have gained. You can share the open badge within your virtual networks and portfolio (e.g. LinkedIn, CV) and it is granted on the basis of proven expertise.

Global Talent

With **Global Talent** open badge you can easily demonstrate for the employers the talent and skills you have developed.

As a Global Talent you have

- gained exceptional global competence during studies
- persistence, curiosity and courage
- adaptability to new environments
- problem-solving skills
- multicultural team-working skills
- interest in global issues
- been involved in international networks
- a *can-do!* attitude.

Global Talent open badge is issued by many Universities and Universities of Applied Sciences in Finland.
